

THE GRIFFITHS • GOYETTE ADVANCE FRAMEWORK™

LEADING ADR PROVIDERS SINCE 1993

Griffiths • Goyette pioneered the use of Special Masters to resolve multiparty construction litigation in California and has successfully managed and settled thousands of disputes.

Griffiths•Goyette provides a full range of Alternative Dispute Resolutions services from implementing case management schedules and coordinating discovery, to negotiating, finalizing and allocating settlements and arbitrating disputes. We resolve complex disputes using an innovative and proven methodology that uses clear and purposeful action to streamline the entire dispute resolution process, optimizing outcomes while minimizing the significant risks, delays and costs of civil litigation.
